

## About the Society:

KLE Society started its endless journey on November 13<sup>th</sup>, 1916 which was a defining moment that changed the course of history when Seven Dedicated Teachers referred as Saphtharishis by sacrificing their personal needs and property. The Saphtharishis aimed at providing basic literacy especially to the children of the farmer and backward community, yet their historic feat was destined to grow into an amazing educational organization with more than 250 institutions today.

KLE Society has a rich legacy of providing quality education over 100 years. The society is running more than 250 institutions spread across & outside the nation for the betterment of students in the field of education, under the visionary leadership of Honorable Chairman Dr. Prabhakar Kore M.P. for the last 35 years. The KLE Society adores an unrivalled status and today stands second to none in education sector. Our Alumni, settled in different parts of the world are a testimony to our achievements and endeavors. And are ambassadors promoting the 'Brand KLE' throughout the world.

## About the Institute :

It is vision of our Honourable Chairman Dr. Prabhakar Koreji to provide the opportunities and facilities to empower the rural youth technically led him to start KLECET Chikodi in the year of 2008. The College is located in Chikodi at almost equidistance from Belagavi, Sangli & Kolhapur. The campus has a sprawling area of 19 acres at the foot of hillocks on the outskirts of the city. Within a span of 10 years, KLECET Chikodi has made name and fame by its quality education in the border area of Karnataka & Maharashtra.

The Institute offers Bachelor of Engineering Degree in Civil, Mechanical, Electronics & Communication and Computer Science Engineering with total intake of 360 annually and also have Three Research Centres recognized by VTU, Belagavi. Further, Staff & Students of KLECET have done remarkable achievements and brought laurels to the institute. The institute is Approved by AICTE, New Delhi, Affiliated to VTU, Belagavi and Certified with ISO 9001:2015 by Bureau Veritas, London. KLECET has high end State-of-the-Art-Infrastructure and modern facilities.

KLECET Chikodi is celebrating its 10<sup>th</sup> Anniversary during this academic year 2017-18, to make it more memorable one, the institute is organizing its First Two Days National Level Multi Conference for all the Departments On 9<sup>th</sup> & 10<sup>th</sup> March 2018.

## About the Conference :

The conference aims to bring together leading academicians, scientists, researchers and research scholars to share and exchange their research experiences and contributions on all aspects of Engineering and Technology. This conference also provides an opportunity to interact and establish professional relations for future collaboration. The conference aims to promote innovations and work of researchers, engineers, students and scientists from across the world on advancement in Engineering. The basic idea of the conference is what more can be done using the existing technology.

Acceptance of Global competitiveness and unlimited innovations are emerging as the most critical elements in wealth generation in the current world economy. Transitions into a developed nation & empowered society shall not be a fore way dream but shall be a near future reality. The need for linking science & technology to the growth of India shall be intensified and improved by conference of this kind.

The national conference will embrace and benefit the human society at large since it will bring together leading researchers and practitioners from academic, industry engineers and scientists in the domain of interest.

## Civil Engineering Department :

The Department of Civil Engineering was established in the year 2010 with an intake of 60. The Department has state of the art infrastructure with modern lab facilities. The Department has well qualified and dedicated staff to take care of student's growth in all aspects. The department is actively involving in conducting seminars, workshops, site visits, industrial tours and several programs to provide the platform for sharing and spreading the advanced developments in the field of Civil Engineering. The Civil Engineering Department aims at developing analytical and experimental skills in students as well as faculties to apply the same in various field works. The staff and students achievements have brought name & fame to the Department.

The department also has consultancy cell keeping good relation with society and doing many projects.

**Title of the Conference : Recent Advances in Civil Engineering ( RACE – 2018 )**

**Themes :**

- Water & Waste Water Engineering
- Intelligent Transport System
- Failure Studies, Rehabilitation & Retrofitting
- Advanced Materials & Construction Technology
- Green Buildings

**Convener : Prof. Pradeep Hodlur (9945484507)**

**Coordinators : Prof. Manjunath Sharanappanavar (9964411143) & Prof. Praveen Puthani (9538235055)**

**E mail : civil.conf@klecet.edu.in , civil@klecet.edu.in**

## Mechanical Engineering Department :

The Department of Mechanical Engineering established in the year 2010 with an intake of 60, which later was enhanced to 120. Department has aims to provide a strong foundation in the fundamentals of Mechanical Engineering by imparting excellent quality technical education in the area of Mechanical Engineering through its specializations. The department has a strong team of well qualified and experienced teaching and technical staff to support the cause. The department enjoys prominence of being recognized as the Research Centre by VTU Belagavi, in 2017. To nurture the young research minds, the department has been organizing seminars, workshops, technical talks, industrial visits to encourage and facilitate the research on the campus.

**Title of the Conference : Recent Trends in Mechanical Engineering ( RMTE – 2018 )**

**Themes :**

- Recent Trends in Design Engineering
- Thermal Engineering
- CAD/CAM/CAE
- Industrial & Production Engineering
- Mechatronics & Robotics

**Convener : Dr. Prasad Rampure (9980705776)**

**Coordinators : Prof. V M Budyal (9448875767) & Prof. Mahesh Latte ( 9421204339 )**

**E mail : mech.conf@klecet.edu.in , mech@klecet.edu.in**
